

Matt Wilson's Eagle Project – Circle Tail, Inc.

This project was to improve the path from the Memorial Gardens to the kennel area of the property. Below are pictures of the area before the project began, pictures of the volunteers working the project and final pictures of the finished path. I would like to thank Marlys of Circle Tail for allowing me the privilege to use this project toward my Eagle Scout rank.

BEFORE PICTURES

Path to the kennels from the bridge. The bridge.

Path from the bridge to the garden.

PICTURES OF WORK CREW

Step installation – garden side.

Step installation – kennel side.

Ornamental grass and weed netting installation.

Mulch installation.

Directional Signage installation.

The work crew.

AFTER PROJECT COMPLETION PICTURES

Looking up the hill to the gardens.

Looking down the path from the gardens to the kennels.
