Don't Miss Out!

Be sure to purchase a Mystery Box. Each box has a prize—could be something small, could be worth more than \$200 worth—try your luck! Select your box and receive the gift enclosed, or swap with a friend. No peeking until we open them, just after dinner!

Visit our Circle Tail Store, bid on some art work, fill out your door prize slip, and buy tickets for the raffle baskets and lotto tree!

Keynote Speaker

Hear from partnered teams about life with a service dog, and view a live service dog demonstration!

(Left) Jane Biehl, Ph.D., author of Here to Bump and Bump to Hear, Paw Prints on my Soul: Lessons of a Service Dog, and Life is Short - Eat the Donut, with her Hearing Dog Sita.

Can I pet your dog?

If a dog is in vest tonight, they're working and shouldn't be distracted, but feel free to pet one of their friends that's off duty.

A special thank you to all of our many volunteers, sponsors, and donors who made this evening possible!
