

*Thanks to our supporters, 2014 was a year of growth for
Circle Tail and our Teams!*

Circle Tail opens state of the art Service and Hearing Dog kennel

The new kennel provides a calm environment for the dogs. Features include 12 indoor/outdoor runs, whelping room, puppy night room, 2 puppy play rooms, and a food prep room. Heated floors and central air throughout. Top this off with lots of windows and bright cheery colors, making this a fantastic place for our service and hearing dogs to live, learn, and grow.

Service Dog Hadley saves Chanel's life

Chanel fell asleep with a pinched oxygen cord and passed out. Hadley sensed the danger and despite not being trained to do so, he repeatedly pushed the life alert button until the paramedics arrived!

Hearing Dog Chucha reminds John how to live life

John had found himself staying home and eating meals alone. Chucha has enabled John to get out and socialize and start living life again!

Hearing Dog Leisel gives Toni back her life

After a traumatic incident, single mother Toni was fearful she couldn't provide for her family's safety. Leisel has given Toni a sense of safety and security so she can live life with confidence.
