New Partnership

Lauren & Hearing Dog, Warner

Warner is very alert to sounds. His favorite thing to do in the world is to wake up Lauren in the mornings when her alarm goes off. He loves to jump on the bed and won't stop licking her until she gets up and out of bed. No such thing as a snooze button with Warner!

Warner also alerts Lauren when she receives a phone call or text, when someone knocks on the door, when the microwave beeps – whatever sounds Lauren needs to be aware of. He also provides a sense of security at night while her husband works third shift.

Warner also loves to retrieve things that have fallen on the floor. One day at work one of the ladies dropped a \$10.00 bill on the floor. Warner sprinted off his place, picked up the \$10.00 bill, and sprinted back to Lauren. Lauren says, "the lady just looked at me and we had a laugh at how excited and proud Warner was to bring me that \$10.00 bill!"
