### Sober House Dog, Camryn

Camryn "Cam" was placed with First Things First, a nonprofit Sober Living Home in Lexington, KY. The director writes, "Cam has made First Things First exactly that - a home. The men look forward to Cam greeting them, especially on difficult days while adjusting to a regular routine.

Cam has become the calm, after a storm. Her first big visit outside of the house was to comfort one of the men in the hospital receiving medical treatment. She was a real star! Cam worked her magic.

We are getting ready to open our second Sober Living House about two blocks away. Cam will visit there also, especially on the house meeting night.

We see her duties expanding to help the emotional healing of several houses. Cam loves "her guys". Responsibilities and daily chores are important - Cam is assigned to someone each day for her walks, feeding, and play.

Camryn is a 'golden' light at the end of the day. Thank you Circle Tail!"
