Gus & In-Home Service Dog, Chucha

Chucha was partnered as a service dog in 2015. Sadly, her partner passed away this year. We determined Chucha would be happiest if she could still work, so in September 2018, she was partnered as an In-Home Service Dog with Gus.

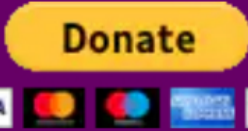

Gus is a 7-year-old with cerebral palsy and does not yet walk or crawl. Chucha helps him retrieve items that would be out of his reach. She puts his dirty clothes in the hamper, opens the fridge and cabinets so he can get up to them and reach things, and she opens doors for him. Gus and Chucha have become fast friends. They love to hang out together and play with toys.

Chucha was a quick study on being around Gus's power chair, and they love to take walks together.

Chucha enjoyed attending a festival with Gus in Illinois where they participated in a costume parade and won prizes. In the photo, Chucha is Kanga and carrying Roo, while Gus is Pooh Bear.
