P&G Pet Care Shelter Makeover

P&G Pet Care has 325 employees coming to Circle Tail on October 4 for Paws for a Cause V - help them make this the biggest shelter makeover yet! The Circle Tail facility gets a facelift from P&G employees who will paint, clean, landscape, and freshen up the buildings and exercise yards to make the living conditions of the dogs better while they're in our care.

Please help match P&G Pet Care's donation of \$25,000, so we can reach our goal. Donating is easy at www.circletail.org. And be sure to share with your friends and spread the word!

Meet Boomerang Bob, the Circle Toad

Meet our resident toad - he's been relocated several times, but always makes his way back to the mat on the side of the kennels. He's been around for a few years, so we asked for name suggestions. Boomerang Bob it is!!
