PUPPY (and cuteness) OVERLOAD!

Circle Tail takes in four moms and their babies

Jovie came to us pregnant from a county shelter, and was able to have her 8 puppies at Circle Tail.

Jascha came from a shelter in Kentucky with her 8 2-weekold pups.

Amiina was found dumped and starving by the road with her 4 puppies.

Glima and her 4 pups came from a family who couldn't care for them.

Circle Tail took them in and is providing a warm, safe place for these moms to care for their pups. Everyone will then be spayed/neutered and ready to find permanent, loving homes.

Your support of Circle Tail helps us help them. Donate toward their care at www.circletail.org.
