"The Secret Life of a Service Dog"

Cortez is a German Shepherd who is always at Amy's side; he serves a very special purpose for her. In addition to the tasks he was trained for, such as retrieving dropped items, Amy has worked with Cortez to develop additional life-saving skills. Amy is diabetic, and when she experiences low blood sugar, Cortez alerts her to the issue. Cortez can smell ketoacidosis, which gives off a scent that dogs sense much sooner than humans.

For Amy, Service Dog Cortez has granted her the gift of independence, mobility, and unconditional love. He and Amy understand each other so well, he practically talks! Come hear his conversation with his partner about their life together. It's sure to be lively!
