

### Tails from the Inside

When I was at my lowest point in my life, I was given a dog named Kudd. I said to myself, "What am I going to do with this ball of fur?" Well, as I looked deeper, he had the deepest eyes I've ever seen. Then it was over, my heart leaped to the moon and my soul soared to a height that even I didn't know it could.

This ball of fur changed my life and brightened the rest of my days. I love my "Kuddy." Hopefully, one day we'll meet again, but just on the other side of the fence.
