

This Year's P&G Pet Care Shelter Makeover Winner is...Circle Tail!

Mia Partner Update: Mia & In-Home Service Dog Breno

Mia's mom Kimberly writes, "Mia used to beg Breno for kisses, and she gets her wish now - he gives her lots of loving whether she asks him for it or not! Breno thinks he needs to be with us wherever we are. He cracks her up snoring! Breno has been such a great addition to our family. Not sure what we did before he came to live with us!"

Join The Fun

while supporting a good cause - See our [calendar](#) for complete list of upcoming events and classes, including **obedience training** and **pet first aid**.

Celebrating Independence

Circle Tail provides service and hearing dogs that help people gain independence, and has wonderful pet dogs available for adoption. **P&G Pet Care** has pledged \$25,000 to improve the lives of all these dogs while they're in our care.

Approximately 175 P&G Pet Care employees will spend 1 day renovating Circle Tail.

Make a difference this 4th of July by helping us [match these funds](#) before **August 6**, and make your donation dollars go further! It's easy to donate [online](#). You'll be able to see all the improvements you helped make possible after the big day on **September 6!**

This is a perfect enhancement to go along with the new **Service & Hearing Dog kennel** we're building. Visit www.circletail.org for details and to donate to the [kennel fund](#). We, the dogs, and the people whose lives they change thank you for your kindness!

Visit our [website](#) for the latest news & updates!
