Volunteer Spotlight

Our spotlight shines on Jayne

Jayne writes, "I first became aware of Circle Tail when I attended the volunteer orientation with my son in 2009, and became reacquainted when a friend began posting Circle Tail pictures on Facebook several years ago. Since retiring in 2015, I have been searching for volunteer opportunities which will be flexible enough to fit our busy travel schedule, and began socializing puppies in late 2017. Currently, I have a goal to use my sales and administrative background to publicize the inspirational mission of Circle Tail through speaking engagements and fundraising (after honing my dog handling skills!). I love watching the sweet pups find their true purpose in life...and am trying to do the same myself."

Next Pet First Aid Class is Sunday, April 7 at 12 PM. Register [online](#) today!
