Mario Finds My Keys

Renee writes, "Mario is the most amazing pooch on the planet. The other day, I rushed into the house and threw my keys into the key drawer. I was sure that I had tossed my keys into the correct drawer. I was wrong. After 20 minutes of searching all over the house for them, including the recycle and trash carts, I asked Mario: 'Do you know where I put my keys?' Mario went right to the drawer under the microwave and bumped it with his nose. I followed up: 'Is that where I put my keys?' Again, Mario bumped the drawer. I opened the drawer and right in front were my keys!!! 'What a great dog!!' I exclaimed many times. Mario received several treats, pats and more undying thanks from me."

Plans for New Center for Service & Hearing Dogs Under Way

We're getting close! we have the plans, we just need the funding. We need to raise \$30,000 more to start building.

Join us May 25 at 1 p.m. at the **Circle Tail Memorial Garden** to remember and celebrate those animals that we have shared our lives with, who have now gone to the rainbow bridge. If you are unable to attend in person, **email the name of your beloved pet to training@circletail.org**, and your pet's name will be read at the ceremony.

How will this building help the service and hearing dogs in training and the people whose lives they'll go on to change? Day-lit runs, whelping room, puppy night room and play room will promote the health and well-being of our dogs. Help us touch more lives, more completely, by donating at www.circletail.org.

Spotlight Dog for Adoption

Gordan is looking for a family of his own!

Gordan is a lover once he gets to know you. He's very shy with new people and will do well in a home with another dog to help him learn confidence. He's also fine with cats. Gordan is really smart and a fast learner - he knows sit, is crate trained and house trained. Born on 11/4/2012, his mom is a German Shepherd, Dad is a Golden Retriever. He's playful and enthusiastic, and loves to learn, especially for a food reward! Take the time to help him overcome his shyness and watch this sweetheart blossom!

Check out Circle Tail's [calendar](#) for the next obedience training classes, volunteer orientation, community events, and fundraising events!
