

### Patrick & Service Dog, Ganes

Patrick writes, "On September 3 of this year, my mother and I rode home from Circle Tail with Ganes in our backseat. I could not believe he was really coming home with me. Ganes is a very smart dog that can open and close automatic doors by pushing the button. By tying a string to the handle, Ganes opens our kitchen and office drawers, fridge door, etc. and is happy to do so. His tail wags crazily when he is told to retrieve a pillow, a ball, or a phone.

Now he is working on commands specific to my condition such as blocking me from walking up or down stairs unless told to let me pass, and waking me by licking my face or hand. Ganes has given me great confidence, independence, and happiness just by standing at my side, and that is why I am so grateful for having him with me."

## The Center for Service & Hearing Dogs is OPEN!

Our supporters made this happen!

The kennel provides a calm environment for the dogs. Features include 12 indoor/outdoor runs, whelping room, puppy night room, 2 puppy play rooms, and a food prep room.

Heated floors, central air throughout, lots of windows and bright cheery colors make this a fantastic place for our service and hearing dogs to learn, live, and grow.
